

CAN WE REALLY NOT GO TO SCHOOL OR VISIT GRANDMA?

TO FIND OUT FOLLOW THE SECRET MAP

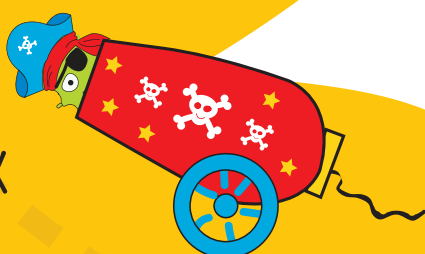

WE TALKED ABOUT IT LAST TIME: THE CORONAVIRUS USES US TO TRAVEL AND GO FROM ONE PERSON TO THE OTHER...

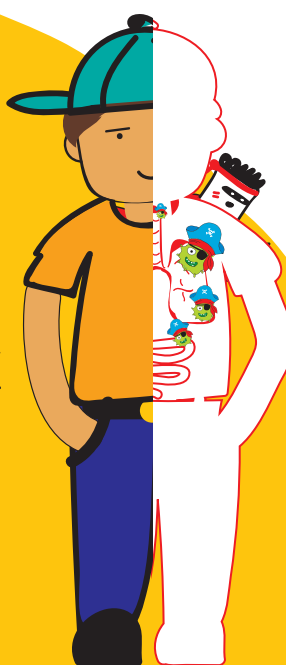

...THIS IS WHY GOING TO SCHOOL IS NOT A GOOD IDEA AT THE MOMENT! IMAGINE: IF THE CORONAVIRUS WAS HIDDEN IN YOUR SCHOOL, OR IN THE BODY OF A PERSON WHO COMES TO SCHOOL...

...IT COULD TAKE THE CHANCE TO ATTACK ALL YOUR FRIENDS VERY EASILY!

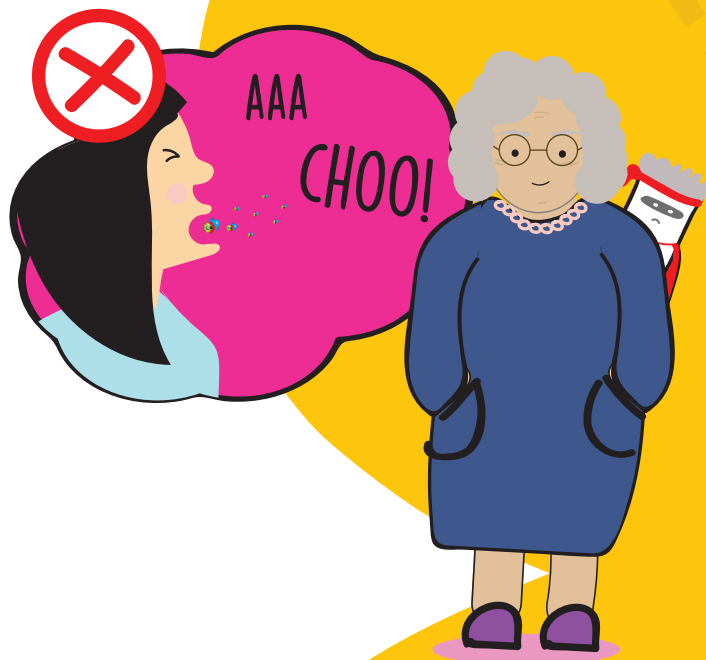

AND YOU KNOW, IT SOMETIMES HIDES IN THE BODY OF SOME PEOPLE WITHOUT MAKING ANY NOISE. YOU DO NOT FEEL SICK, BUT THE PIRATE IS THERE READY TO ATTACK OTHERS WHENEVER POSSIBLE!

IT HAPPENS WHEN THE SUPER STRONG ARMY OF TINY WARRIORS WE HAVE IN OUR BODIES IS SUPER EFFICIENT IN PROTECTING US FROM THE ATTACKS BY PIRATES LIKE THE CORONAVIRUS (IT'S CALLED THE "IMMUNE SYSTEM")

IN SOME PEOPLE, LITTLE WARRIORS HAVE A HARDER TIME FIGHTING PIRATE ATTACKS, WHEN THEY ARE OLDER FOR EXAMPLE. LIKE IN THE BODY OF YOUR GRANDPA OR YOUR GRANDMA.

THESE PEOPLE ARE MORE LIKELY TO BE SICK. THIS IS WHY IT IS BETTER TO AVOID GOING TO SEE THEM FOR NOW TO AVOID BRINGING THEM A HIDDEN CORONAVIRUS...

...BUT YOU CAN CALL THEM ON THE PHONE OR VIDEO. THE CORONAVIRUS WILL NOT BE ABLE TO REACH THEM THIS WAY!

BY THE WAY... WHAT SHAPE, COLOR AND SIZE IS THIS CORONAVIRUS?
