

WHAT DOES IT EAT?

TO FIND OUT FOLLOW THE SECRET MAP

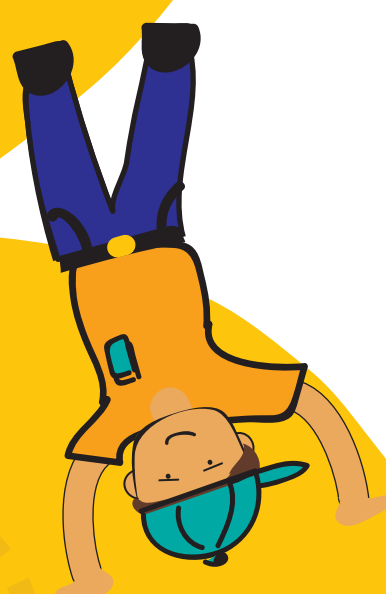

PIZZA? VEGETABLES? CANDY? OR DOES HE EAT US FROM THE INSIDE?

NO, FIRST OF ALL, THAT KIND OF FOOD IS WAY TOO BIG FOR THIS TINY PIRATE

AND THEN, WE, HUMANS, EAT BECAUSE WE NEED ALL THE GOOD THINGS THAT FOOD CONTAINS...

...TO GIVE OUR MUSCLES OR OUR BRAIN FOR EXAMPLE, ENERGY TO BE ABLE TO LIVE, PLAY OR WORK

WHILE THIS UGLY CORONA DOESN'T NEED TO EAT "ANYTHING" BECAUSE HE HAS NO MUSCLE AND NO BRAIN. IT'S JUST A TINY LITTLE BALL MADE OUT OF FAT AND PROTEIN... YES LIKE IN THE CHICKEN!

AND HE ISN'T ACTIVE AT ALL! HE EVEN USES HUMANS TO MOVE...

...AND IS ONLY GOOD AT TRANSPORTING INFECTED MATERIAL TO HUMAN FACTORIES...

THEN HE LETS OUR CELLS DO ALL THE WORK... WHAT A LAZY ONE!

BUT THEN, HOW CAN IT HURT US SO BAD?

...AND WHAT HAPPENS IN OUR BODY WHEN WE ARE SICK?
